Barnboard Bean Bag - FALL League 2017

League Details:

- League nights sun, mon, tue, wed, and thur (depending on number of teams), need at least 4 teams. (Usually we have Wed & Thur)
- Entry Fee \$0 per team
- Teams responsible for taking out and putting away all bean bag equipment nightly.
- Each player on team must sign safety and “of age” drinking waiver.
- League starts Week of Sept. 4th / League ends based on weather. Last week of league will be tournament based on standings.
- 2 – person teams (any combination of gender) – each team responsible for subs if short on players
- Start times will be based on number of teams. Typically we have an early start time and a late start time. We can try to be flexible and place teams at their preferred times, but cannot guarantee start times week to week.
- Teams all need a team name and team captain.
- Team captains be sure and have email on entry form (another way of communicating)
- Players are encouraged to like the Barnboard on Facebook for updates as well.
- All players please sign up for our VIP Text club. It’s easy to join, just text the word BARNBOARD to 41411) this will be an easy way to communicate any changes, rain outs, delays, etc.

League Rules:

- Series – 5 game series between two teams
- Game – Culmination of all rounds. Winner is first team to 21, must be exactly 21, if you go over you must go back to 15.
- Round – round ends when 2 players from opposite teams have thrown each of their 3 bags.
- Whose Turn – the team scoring the most in previous round will start out the next round.
- Each player throws 4 bags per round
- Each player throws from behind the front of the box, standing on either side. If tosser steps over front of box the bag is not counted.
- Points are scored when player has a bag on the board or in the hole.
- Only one team can score per round, points cancel each other out. (example team red has 2 on board so 2 points, team black has 2 on board and one in hole for 5 points, 5 less red ‘s 2 is 3. So the score for that round is 3 to black. Bag on board = 1 and bag in hole = 3.
- The first player of each round to throw must say out loud the current score.
- A team can win by a whitewash which is when the score becomes 11-0
- You may knock bags off the board or in the hole
- Bags cannot bounce on to the board, they are to be removed
- 10 point scoring system, each series is best of 5 games; you get 5 points for winning the series. Each game is worth a point – 5 points total. Example black wins series 3-2 in games, this gives black 5 points for series and 3 for game points for total of 8 and red team would get 2 points for total of 8-2 score.
- Fill in score sheets and drop them in mailbox after league.
- Must be 21 to drink alcohol, please don’t abuse. Underage drinking will result in elimination from the league. Bring your ID’s even if you’re over 21 as the cops might do random checks.
- Obviously, no carry-on beverages. Not only is this unethical, it is illegal. If this happens your team is
